Título: Plenary and invited lectures presented at the 12th IUPAC International Symposium on Organometallic Chemistry Directed Towards Organic Synthesis (OMCOS-12) held in Toronto, Ontario, Canada 6-10 July 2003
conference editor William Tam

Editorial: [London] IUPAC 2004

Descripción física: V, p. 453-695

Mención de serie: Pure and applied chemistry ISSN 0033-4545 76, n. 3

Nota general: Precede al título: International Union of Pure and Applied Chemistry, Organic Chemistry Division

Materia: Química organometálica Congresos Compuestos orgánicos- Síntesis Congresos

Autores: Tam, William
