Título: Special topic issue on the theme of organometallic in organic synthesis lectures presented at the 13th IUPAC International Symposium on Organometallic Chemistry Directed Towards Organic Synthesis (OMCOS-13), Geneva, Switzerland, 17-21 July 2005

Editorial: [London] IUPAC 2006

Descripción física: VI p., p. 197-523

Mención de serie: Pure and applied chemistry ISSN 0033-4545 v. 78, n. 2
