Monografía

The recent dramatic expansion of the field of transnational studies has reshaped discourses across the humanities and social sciences and created the opportunity for extensive multi-regional exchanges. Traversing Transnationalism intervenes into these developments by offering essays from scholars working both within and outside the metropolitan "centre", and by reorientating the axis of research towards geopolitical and cultural formations located beyond the normal sites of production of globalization discourse. This interdisciplinary collection has a broad scope: it engages directly with a va
