Título: Environmental Protection Agency library network [Recurso electrónico] Bernard T. Vellios, editor

Editorial: Hauppauge, N.Y. Nova Science Publishers c2009

Descripción física: vi, 73 p.

Mención de serie: E-Libro

Nota general: "Excerpted, indexed edition of GAO report GAO-08-304 dated February 2008."

Bibliografía: Includes bibliographical references and index

Contenido: Preface -- Results in brief -- Background -- Some libraries independently decided to close, reduce their hours, or take other actions, but the final network configuration is still uncertain -- EPA did not effectively justify its decision to reorganize its library network -- EPA did not fully inform or solicit views from the full range of stakeholders on the reorganization but is now increasing its outreach efforts -- EPA lacks a strategy to ensure continuity of library services and does not know whether its actions have impaired access to environmental information -- EPA program offices are responsible for funding their libraries and their reorganization through their support budgets -- Conclusions -- Recommendations for executive action -- Agency comments
