Editorial: Washington, D.C. U.S. Environmental Protection Agency

Periodicidad actual: Irregularly

Fechas de publicación: Began in 2004?

Variantes del título: Eight-hour ground-level ozone designations 8 hour ground-level ozone designations

Nota general: "EPA must designate areas as attaining or not attaining federal air health standards for ozone. This process is accomplished through a federal rule, with final designations published in the Federal Register ... EPA issued final designations on April 15, 2004. The designations will be used by state, tribal, and local governments to establish control programs to reduce ozone-forming pollution"--Basic information file
