

Ways of Regulating Drugs in the 19th and 20th Centuries [

Gaudillière, Jean-Paul,
editor

Hess, Volker,
editor

Palgrave Macmillan UK :
Imprint: Palgrave Macmillan,
2013

Monografía

This collection takes the perspective that the historiography of science, technology, and medicine needs a broader approach toward regulation. The authors explore the distinct social worlds involved in regulation, the forms of evidence and expertise mobilized, and means of intervention chosen to tame drugs in factories, consulting rooms and courts
