

The Investor's Manifesto [Preparing for Prosperity, Armageddon, and Everything in Between

Bernstein, William J.

Wiley, 2009

Electronic books

Monografía

A timeless approach to investing wisely over an investment lifetime With the current market maelstrom as a background, this timely guide describes just how to plan a lifetime of investing, in good times and bad, discussing stocks and bonds as well as the relationship between risk and return. Filled with in-depth insights and practical advice, The Investor's Manifesto will help you understand the nuts and bolts of executing a lifetime investment plan, including: how to survive dealing with the investment industry, the practical meaning of market efficiency, how much
