The fact that Cavalcanti's friend, Dante Alighieri, was a supremely fine poet ought not blind us to Cavalcanti's own, rather different excellence. Both men were attracted to the *dolce stil nuovo*, the "sweet new style" that emerged in thirteenth-century Florence. While Dante's poetry was devoted to his childhood sweetheart, Beatrice, Cavalcanti's poetry had more the tang of real-world experience: he struggled against unruly passions and sought instead to overcome love - a source of torment and despair. It is chiefly through the translations of Rossetti and Pound that English-speaking readers
