Título: Design of Low Power and Low Area Passive Sigma Delta Modulators for Audio Applications Recurso electrónico] by David Fouto, Nuno Paulino

Editorial: Cham Springer International Publishing Imprint: Springer 2017

Descripción física: IX, 78 p. 70 il., 38 il. col

Mención de serie: SpringerBriefs in Electrical and Computer Engineering 2191-8112

Detalles del sistema: Modo de acceso: world wide web

Fuente de adquisición directa: Springer (e-Books)

ISBN: 9783319570334 9783319570327

Autores: Paulino, Nuno

Punto acceso adicional serie-Título: Engineering (Springer Books)
