Título: Dynamics of Civil Structures, Volume 2 Recurso electrónico] :] Proceedings of the 35th IMAC, A Conference and Exposition on Structural Dynamics 2017 edited by Juan Caicedo, Shamim Pakzad

Editorial: Cham Springer International Publishing Imprint: Springer 2017

Descripción física: IX, 355 p. 294 il., 242 il. col

Mención de serie: Conference Proceedings of the Society for Experimental Mechanics Series 2191-5644

Detalles del sistema: Modo de acceso: world wide web

Fuente de adquisición directa: Springer (e-Books)

ISBN: 9783319547770 9783319547763

Autores: Caicedo, Juan., ed. lit Pakzad, Shamim., ed. lit

Punto acceso adicional serie-Título: Engineering (Springer Books)
