

## A companion to American foreign relations [

Schulzinger, Robert D. (1945-)

Blackwell Pub.,  
c2003

Electronic books

Monografía

This is an authoritative volume of historiographical essays that survey the state of U.S. diplomatic history. The essays cover the entire range of the history of American foreign relations from the colonial period to the present. They discuss the major sources and analyze the most influential books and articles in the field. Includes discussions of new methodological approaches in diplomatic history
