2008

Electronic books

Monografía

International Perspectives of Festivals and Events addresses contemporary issues concerning the potential of festivals and events to produce economic, social, cultural and community benefits. Incorporating a range of international perspectives, the book provides the reader with a global look at current trends and topics, which have until now, been underrepresented by current literature. International Perspectives of Festivals and Events includes a broad range of research, case studies and examples from well-known scholars in the field to form a unified volume that inf
