Monografía

An album amicorum belonging to Jean le Clercq of Tournai, a Belgian student at the University of Douai. The album features portraits and armorial devices of le Clercq's relations and friends, many with inscriptions in Latin or Greek. A dedication leaf with an eight-line Latin epigram dated "Douai MDLXXVI Johannis Le Clercq Tournacensis" is included at the end. The leaves have been sewn into an incomplete proof of the second edition of the French translation of *La Métamorphose d'Ovide, Figurée* (A Lyon : Par Ian de Tovrnes, 1564) with engravings by Bernard Salomon
