Bases de dades en línia

Analítica

"Academic Video Online is the most comprehensive video subscription available to libraries. It delivers more than 67,000 titles spanning the widest range of subject areas including anthropology, business, counseling, film, health, history, music, and more. More than 14,000 titles are exclusive to Alexander Street, all with a predictable annual cost. Curated for the educational experience, the massive depth of content and breadth of content-types (such as documentaries, films, demonstrations, etc.) in Academic Video Online makes it a useful resource for all types of patrons, giving libraries a high return on investment." -- Academic Video Online
