Título: Science as Social Existence [Recurso electrónico] Heidegger and the Sociology of Scientific Knowledge

Edición: 1st ed

Editorial: UK Open Book Publishers 2017

Descripción física: 1 recurso electrónico

Mención de serie: EBSCO Academic eBook Collection Complete

Nota general: Jeff Kochan constructively combines the sociology of scientific knowledge (SSK) with Martin Heidegger's early existential conception of science. He shows that these apparently quite different approaches to science are, in fact, largely compatible
