Título: A study of the Hartree-Fock model space for light deformed nuclei by William F. Ford, Richard C. Braley, and J. Bar-Touv

Editorial: Washington, National Aeronautics and Space Administration; [for sale by the National Technical Information Service, Springfield, Va.] 1971

Descripción física: 1 online resource (45 pages) illustrations

Mención de serie: NASA technical note, NASA TN D-6187

Nota general: Cover title

Bibliografía: Includes bibliographical references

Materia: Hartree-Fock approximation Nuclear shell theory Scattering (Physics) Hartree-Fock approximation Nuclear shell theory Scattering (Physics)

Autores: Braley, Richard C., author Bar-Touv, J., author
