Título: Digest of data on persons with disabilities prepared under contract to the Congressional Research Service, Library of Congress ; prepared by Mathematica Policy Research, Inc. ; John L. Czajka, principal investigator

Editorial: Washington, D.C. National Institute of Handicapped Research, Office of Special Education and Rehabilitative Services, U.S. Department of Education 1984

Descripción física: 1 online resource (xv, 177 pages) illustrations

Nota general: "Reprint with permission by the National Institute of Handicapped Research, Office of Special Education and Rehabilitative Services, U.S. Department of Education." "June 1984."

Bibliografía: Includes bibliographical references (pages 154-155)

Contenido: List of Tables -- List of Charts -- Introduction -- I. Prevalence of Disabilities -- A. Impairments and Chronic Conditions -- B. Activity Limitations C. Severity of Limitations -- II. Characteristics of the Disabled Population -- A. Living Arrangements -- B. Employment -- C. Income -- D. Health Care Utilization -- III. Federal Programs -- A. Special Education -- B. Other Disability Programs -- IV. Individual Impairments and Chronic Conditions: Comparative Data -- V. State Level Data -- Appendices -- 1. Source References -- 2. Primary Data Sources Used in This Report -- 3. Data Needs -- 4. Index Matrix -- 5. Selected List of Information Resources -- List of Tables -- I. Prevalence of Disabilities -- A. Impairments and Chronic Conditions -- 1. Prevalence of selected impairments and chronic conditions, by age and sex: civilian noninstitutionalized population, 1979-1980 -- 2. Prevalence of multiple impairments and chronic conditions by age and sex: civilian noninstitutionalized population, 1979 -- 3. Annual incidence of selected impairments and chronic conditions: civilian noninstitutionalized population, various years -- 4. Mentally retarded person in residential programs, by sex, age, other diagnostic condition, and type of facility: 1977 -- 5. Mentally retarded residents of State-operated residential facilities for the mentally retarded: 1950-1982 -- 6. Residents of nursing homes by age and sex and presence of selected impairments and chronic conditions: 1977 -- 7. Mental health inpatients at end of year, average daily census, annual additions and episodes, by type of facility: 1979 -- 8. Average daily inpatient census and number of inpatient

episodes, by type of mental health facility: 1969-1979 -- B. Activity Limitations -- 1. Chronic activity limitation status, by sex and age: civilian noninstitutionalized population, 1979 -- 2. Chronic activity limitation status among persons reporting selected single of multiple impairments or chronic conditions: civilian noninstitutionalized population, 1979 -- 3. Annual percentages of persons reporting activity limitations, by age: civilian noninstitutionalized population, 1966-1981 -- 4. Levels of work disability among persons 18-64, by age, sex and race: civilian noninstitutionalized population, summer 1978 -- 5. Persons with chronic activity limitation by chronic condition reported as main cause of limitation: civilian noninstitutionalized population, 1979 -- C. Severity of Limitations -- 1. Persons needing help in basic physical activities and home managements activities because of a chronic health problem: civilian noninstitutionalized population, 1979-1980 -- 2. Persons using special aids for getting around, by age and sex: civilian noninstitutionalized population, 1977 -- 3. Number of restricted-activity days per person per year, by chronic activity limitation status, sex and age: civilian noninstitutionalized population, 1979 -- 4. Number of bed-disability days per person per year, by chronic activity limitation status, sex and age: civilian noninstitutionalized population, 1979 5. Selected functional statuses of nursing home residents, by age and sex: 1977 -- 6. Percentage distribution of nursing home residents by level of dependency in activities of daily living, by sex, age and race/ethnicity: 1977 -- 7. Mentally retarded persons in residential programs, by degree of retardation and functional limitation: 1977 -- II. Characteristics of the Disabled Population -- A. Living Arrangements -- 1. Living arrangements of persons by chronic activity limitation status: civilian noninstitutionalized population, 1979-1980 -- 2. Living arrangements of persons by chronic activity limitation status, by age and sex: civilian noninstitutionalized population, 1979-1980 -- 3. Percentage distribution of nursing home residents by length of stay since admission, by sex and age: 1977 -- 4. Nursing home residents by living arrangement prior to admission, by sex and age: 1977 -- B. Employment -- 1. Labor force participation and unemployment rates of persons 18-64, by age, sex and work disability status: civilian noninstitutionalized population, summer 1978 -- 2. Detailed labor force status of persons 18-64, by sex and work disability status: civilian noninstitutionalized population, summer 1978 -- 3. Extent of employment in 1977 among persons 18-64, by sex and work disability status: civilian noninstitutionalized population, summer 1978 -- 4. Median earnings in 1977 among persons 18-64 with earnings, by age, sex and work disability status: civilian noninstitutionalized population, summer 1978 -- 6. Number of sheltered workshops holding certificates and estimated number of workers employed, by type of certificate: 1956-1982 -- C. Income -- 1. Rate of low income among persons, by age, sex and chronic activity limitation status: civilian noninstitutionalized population, 1979-1980 -- 2. Median annual family income of persons by age, sex and chronic activity limitation status: civilian noninstitutionalized population, 1979-1980 -- D. Health Care Utilization -- 1. Number of physician visits per person year, by chronic activity limitation status, sex, and age: civilian noninstitutionalized population, 1979 -- 2. Percent of persons with one or more short-stay hospital episodes during previous twelve months, by chronic activity limitation status, sex and age: civilian noninstitutionalized population, 1979 3. Average annual number of hospital days per person with one or more hospital episodes, by chronic activity limitation status, sex, and age: civilian noninstitutionalized population, 1979 -- 4. Total number of hospital days in short-stay hospitals, by chronic activity limitation status, sex, and age: civilian noninstitutionalized population, 1979 -- III. Federal Programs -- A. Special Education -- 1. Number of children served under the Education for All Handicapped Children Act and Aid to States for Handicapped Children, by handicapping condition: 1981-1982 school year -- 2. Type of educational environment for children served under the Education for all Handicapped Children Act and Aid to States for Handicapped Children, by handicapping condition: 1980-1981 school year -- 3. Racial/ethnic composition of total public school enrollment and special education enrollment: fall 1980 -- B. Other Disability Programs -- 1. Number and average monthly amount of Social Security Disability Insurance benefits paid to disabled workers, by sex: 1957-1982 -- 2. Benefits paid to blind and disabled persons under the Aid to the Blind, Aid to the Permanently and Totally Disabled, and Supplemental Security Income programs: 1957-1982 -- 3. Number and average monthly amount of Social Security Disability Insurance benefits paid to disabled workers and number of Supplemental Security Income benefits paid to the blind and disabled, by age and sex: 1980 -- 4. Social Security Disability Insurance and Supplemental Security Income: initial awards to disabled workers and blind and disabled children and adults, by diagnostic group and age, 1977 -- 5. Disabled veterans by age and period of service: September 1982 -- 6. Case activity of State vocational rehabilitation agencies: fiscal years 1971 to 1982 -- IV. Individual Impairments and Chronic Conditions: Comparative Data -- 1. Percentage distribution of persons reporting selected impairments and chronic conditions by socio-economic and demographic characteristics: civilian noninstitutionalized population, 1970-1977 -- 2. Age and chronic activity limitation status of persons classified by level of hearing ability: civilian noninstitutionalized

population 3 years old and over, 1977 -- V. State Level Data -- 1. Work disability, labor force status, and transportation disability of noninstitutionalized persons 16-64 and 65 and over, by State: April 1980 -- 2. Number of children ages 3-21 served under the Education for All Handicapped Children Act and Aid to States for Handicapped Children, by handicapping condition and State: 1981-1982 school year -- 3. Blind and disabled persons receiving federally administered Supplemental Security Income and Social Security Disability Insurance benefits, by State: 1980 and 1982 -- 4. Number of facilities and mentally retarded residents in public residential facilities and community residential facilities, by State: 1977 -- 5. Patient movement and caseload for inpatient treatment in State and county mental hospitals, by State: 1976 List of Charts -- 1. Selected impairments and chronic conditions, by age, 1979-1980 -- 2. Mentally retarded residents of public residential facilities, 1950-1982 -- 3. Labor force participation rates by work disability status, age and sex, 1978 -- 4. Rate of low income among persons by activity limitation and age, 1979-1980 -- 5. Persons with one or more hospital stays by activity limitation and age, 1979 -- 6. Proportion of total hospital days by activity limitation and age, 1979 -- 7. Handicapped children receiving special education, fall 1981 -- 8. Social Security Disability Insurance beneficiaries, 1957-1982 -- 9. Blind and disabled beneficiaries of Supplemental Security Income and its predecessors, 1957-1982
