Título: Forest fragmentation in the southern Rocky Mountains Richard L. Knight ... [et al.].

Editorial: Boulder, Colo. University Press of Colorado 2000

Descripción física: xiii, 474 p. il., mapas

Mención de serie: EBSCO Academic eBook Collection Complete

Bibliografía: Incluye referencias bibliográficas

Contenido: An overview of forest fragmentation in the southern Rocky Mountains Steven W. Buskirk [and others]. -- Natural patterns in southern Rocky Mountain landscapes and their relevance to forest management Dennis H. Knight and William A. Reiners. -- Disturbance patterns in southern Rocky Mountain forests Thomas T. Veblen. -- Measuring and analyzing forest fragmentation in the Rocky Mountains and western United States William L. Baker. -- Roads and forest fragmentation in the southern Rocky Mountains William L. Baker and Richard L. Knight. -- Forestry practices and forest fragmentation in the southern Rocky Mountains Frederick W. Smith. -- Forest fragmentation and outdoor recreation in the southern Rocky Mountains Richard L. Knight. -- Fragmentation by inholdings and exurban development David M. Theobald. -- Mammalian responses to forest fragmentation in the central and southern Rocky Mountains Gary P. Beauvais. -- Bird responses to forest fragmentation Andrew J. Hansen and Jay J. Rotella. -- Plant and vegetation responses to edges in the southern Rocky Mountains William L. Baker and Gregory K. Dillon. -- Songbird communities along natural forest edges and forest clearcut edges Bonnie Ruefenacht and Richard L. Knight. -- Influence of the stand shape, size, and structural stage on forest bird communities in Colorado Michael F. Carter and Scott W. Gillihan. -- Effects of wilderness designation on the landscape structure of a national forest Jonathan F. Lowsky and Richard L. Knight. -- Impact of logging and roads on a Black Hills ponderosa pine forest landscape Douglas J. Shinneman and William L. Baker. -- Using the LANDLOG model to analyze the fragmentation of a Wyoming forest by a century of clearcutting Daniel B. Tinker and William L. Baker. -- A landscape approach to managing southern Rocky Mountain forests Gregory H. Aplet. -- Using natural disturbance regimes as a basis for mitigating impacts of anthropogenic fragmentation William H. Romme [and others]. -- Law, policy, and forest fragmentation in the southern Rocky Mountains Robert B. Keiter. -- What have we learned about forest fragmentation in the southern Rocky Mountains? William H. Romme [and others]. -- Epilogue: conservation of wildlife in Rocky Mountain forests: process, pattern, and perspective David M. Armstrong
