Título: Analysis on Lie Groups and Homogeneous Spaces Sigurdur Helgason

Editorial: Providence, R.I. Published for the Conference Board of the Mathematical Sciences by the American Mathematical Society 1977

Descripción física: VI, 64 p. 26 cm

Mención de serie: Regional conference series in mathematics, n. 14

Nota general: "Expository lectures from the CBMS regional conference held at Dartmouth College, August 1971"

Bibliografía: Bigliogr.: p. 61-64

ISBN: 0821816640

Materia: Lie, Algebras de Ecuaciones diferenciales Espacios homogéneos
