Monografía

The Handbook of Cultural Sociology provides a comprehensive overview of contemporary scholarship in sociology and related disciplines focused on the complex relations of culture to social structures and everyday life. With sixty-five essays written by scholars from around the world, the book draws diverse approaches to cultural sociology into a dialogue that charts new pathways for research on culture in a global era. Contributing scholars address vital concerns that relate to classic questions as well as emergent issues in the study of culture. Topics include cultural and so
