This updated and revised second edition of *Vascular Surgery: Cases, Questions and Commentaries* provides a thorough overview of the management principles of clinical cases in vascular surgery. It also summarizes all the relevant topics the vascular trainee is expected to be familiar with. With an international panel of contributors, many of whom are also examiners on the UK, European or American Boards in Vascular Surgery, this book familiarizes the reader quickly with day-to-day clinical practice. Case presentations are presented in question-and-answer format and have been widely referenced to reassure the reader that the contents are established best practice. Most cases are accompanied by multiple x-rays or color illustrations for visual clarity. This book serves as a teaching resource for vascular trainees or practitioners who are reviewing for the oral board exam or practitioners who wish to refresh their expertise with an interactive source of information. It also provides established practitioners the wherewithal to review the current standards of practice in vascular surgery

Título: Vascular surgery cases, questions, and commentaries George Geroulakos, Hero van Urk, and Robert W. Hobson II (eds.).

Edición: 2nd ed

Editorial: London Springer 2006

Descripción física: 1 online resource (xxiv, 498 pages) illustrations (some color)

Tipo Audiovisual: geneeskunde medicine volksgezondheid public health chirurgie surgery cardiovasculair systeem cardiovascular system Medicine (General) Geneeskunde (algemeen)

Documento fuente: Springer e-books

Bibliografía: Includes bibliographical references and index

Contenido: I. Arterial aneurysms. Preoperative cardiac risk assessment and management of elderly men with an abdominal aortic aneurysm / Don Poldermans and Jeroen J. Bax ; Abdominal aortic aneurysm / Jean-Pierre Becquemin and Alexandre d'Audiffret ; Endoluminal treatment of infrarenal abdominal aortic aneurysm / Hence J. M. Verhagen, Geoffrey H. White, Tom Daly and Theodossios Perdikides ; Ruptured abdominal aortic aneurysm / Jeffrey S. Weiss and Bauer E. Sumpio ; Thoracoabdominal aortic aneurysm / Nicholas J. Morrissey, Larry H. Hollier and Julius H. Jacobson II ; Aortic dissection / Barbara T. Weiss-Müller and Wilhelm Sandmann ; Popliteal artery aneurysm / Jonathan D. Woody and Michel S. Makaroun ; Renal artery aneurysm / Lutz Reiher, Tomas Pfeiffer and Wilhelm Sandmann ; Anastomotic aneurysms / William D. Neary and Jonathan J. Earnshaw ; False aneurysm in the groin following coronary angioplasty / Steven S. Kang -- II. Acute ischaemia. Acute thrombosis / Vikram S. Kashyap and Kenneth Ouriel ; Arterial embolism / Andre Nevelsteen ; Blast injury to the lower limb / Paul H.B. Blair, Adrian K. Neill and Christopher T. Andrews ; Endoluminal treatment of traumatic arteriovenous fistula of the axillary artery / Jonathan D. Woody and Rodney A. White -- III. Management of chronic ischaemia of the lower extremities. Cardiovascular risk factors and peripheral arterial disease / Stella S. Daskalopoulou and Dimitri P. Mikhailidis ; Angioplasty for critical arterial stenosis / Lars Norgren ; Lower limb claudication due to iliac artery occlusive disease / Fabien Koskas and Marcus J. Brooks ; Erectile dysfunction due to aortic disease / Ralph G. DePalma ; Bypass to the popliteal artery / Jeannie K. Chang, Keith D. Calligaro and Matthew J. Dougherty ; Chronic critical limb ischemia / Enrico Ascher and Anil P. Hingorani ; Popliteal artery entrapment / Luca di Marzo and Norman M. Rich ; Adventitial cystic disease of the popliteal artery / Bernard H. Nachbur and Jon Largiadèr ; The obturator Foramen bypass / Andries J. Kroese and Lars E. Staxrud ; Diabetic Foot / Mauri J.A. Lepäntalo, Milla Kallio and Anders Albäck -- IV. Surgery of the major branches of the infradiaphragmatic aorta. Chronic visceral ischaemia / George Geroulakos and William L. Smead ; Acute mesenteric ischaemia / Jonathan S. Refson and John H.N. Wolfe ; Renovascular hypertension / David Bergqvist and Martin Björck -- V. Management of portal hypertension. Management of portal hypertension / Yolanda Y.L. Yang and J. Michael Henderson -- VI. Management of extracranial cerebrovascular disease. Management of patients with carotid bifurcation disease / Wesley S. Moore ; Carotid endarterectomy and cranial nerve injuries / Christos D. Liapis and John D. Kakisis ; Paragangliomas of the head and neck / Johanna G.H. van Nes, Sylvia C. de Jong, Marc R.H.M. van Sambeek and Hero van Urk ; Vertebrobasilar ischemia: embolic and low-flow mechanisms / Ramon Berguer -- VII. Neurovascular conditions of the upper extremity. Neurogenic thoracic outlet syndrome / Richard J. Sanders ; Thoracoscopic sympathectomy / Samuel S. Ahn, Huck A. Mandel and Kyung M. Ro ; Acute axillary/subclavian vein thrombosis / Jarlis Wesche, Torbjørn Dahl and Hans O. Myhre ; Raynaud's phenomenon / Ariane L. Herrick -- VIII. Prevention and management of complications of arterial vascular surgery. Aortofemoral graft infection / Christopher P. Gibbons ; Aortoenteric fistulas / David Bergqvist -- IX. Vascular access. The optimal conduit for hemodialysis access / Frank T. Padberg Jr., Robert W. Zickler and Joseph M. Caruso ; Acute ischaemia of the upper extremity following graft arteriovenous fistula / Miltos K. Lazarides and Vasilios D. Tzilalis -- X. Amputations. Amputation in an ischaemic limb / Mohideen M. Jameel and Kingsley P. Robinson ; Congenital vascular malformation / Byung-Boong Lee -- XI. Management of venous disorders. Deep venous thrombosis / Fahad S. Alasfar, Dwayne Badgett and Anthony J. Comerota ; Primary varicose veins / Michael Dialynas and Stephen G.E. Barker ; Venous ulcers associated with deep venous insufficiency / Seshadri Raju ; Venous ulcers associated with superficial venous insufficiency / Gudmundur Danielsson and Bo Eklöf ; Iliofemoral venous thrombosis / William P. Paaske ; Iliofemoral deep venous thrombosis (during pregnancy) / Anthony J. Comerota -- XII. Lymphoedema. Management of upper extremity lymphoedema with microsurgical lymphovenous anastomosis / Corradino Campisi and Francesco Boccardo ; Management of upper extremity lymphoedema with liposuction / Hakan Brorson
