Título: Aspects of the kinetics and dynamics of surface reactions (La Jolla Institute-1979) edited by Uzi Landman. electronic resource]

Editorial: New York American Institute of Physics 1980

Descripción física: 1 online resource (x, 343 p.) ill.

Variantes del título: Physics Of Surfaces The Physics Of Surfaces: Aspects Of The Kinetics And Dynamics Of Surface Reaction, Volume 61

Mención de serie: AIP conference proceedings no. 61 AIP conference proceedings Aspects of the kinetics and dynamics of surface reactions (La Jolla Institute-1979)

Nota general: "Workshop on 'The Physics of surfaces: aspects of the kinetics and dynamics of surface reaction,' supported by the La Jolla Institute and held at the University of California, San Diego, La Jolla, August 1-4, 1979."

Bibliografía: Includes bibliographical references

Lengua: English

ISBN: 0-88318-160-6

Materia: Surface chemistry- Congresses Surfaces (Physics)- Congresses Chemical kinetics- Congresses Surfaces (Physics)- Congresses Surface chemistry- Congresses Physics Atomic Physics Physical Sciences & Mathematics

Autores: Landman, Uzi

Entidades: La Jolla Institute
