Monografía

Despite its significance in the history of Spanish colonialism, the Dominican Republic is familiar to most outsiders through only a few elements of its past and culture. Non-Dominicans may be aware that the country shares the island of Hispaniola with Haiti and that it is where Christopher Columbus chose to build a colony. Some may know that the country produces talented baseball players and musicians; others that it is a prime destination for beach vacations. Little else about the Dominican Republic is common knowledge outside its borders. This Reader seeks to change that. It provides an intr
