

Clinical dilemmas in viral liver disease [

Foster, Graham
Reddy, K. Rajender

Wiley-Blackwell,
2010

Monografía

"Clinical Dilemmas in Viral Liver Disease is a practical up-to-date handbook providing answers to the questions and challenges that arise in day-to-day practice. Each short chapter addresses a different topic and provides evidence-based guidance on subjects ranging from optimizing current management through to special management problems and novel treatments. This book is suitable for all medical professionals involved in the care of patients with viral liver disease: established and trainee hepatologists, pediatric hepatologists, pathologists, radiologists, transplant surgeons and nurse specialists."--Publisher's website
