

Les damnés de la terre

/

Filmed plays.

Material Projectable

Through this musical and poetic performance, you have a chance to discover a small part of the work of the famous but too often forgotten activist Frantz Fanon. Even though he was French, he took part in the Algerian liberation movement (FLN) during the Algerian war against France taking position for the independence of the country at a very early stage and died as an Algerian. His books exploring especially the psychiatric consequences of colonization are still very accurate
