

Oxford English for careers. Engineering 1 /

Astley, Peter

Oxford University Press,

Monografía

Engineering 1 is ideal for pre-work students, studying at pre-intermediate level, who will need English to communicate effectively in the Engineering industry. Engineering 1 develops the vocabulary, language, and skills that students need for use in a range of different types of engineering, including Mechanical, Electronic, Electrical, Design, Civil & Structural, Aerospace, and Materials, with a special focus on number work throughout
