Monografía

No matter what questions arise in practice or while preparing for boards, Pain Management Secrets, 3rd Edition has the answers. A two-color page layout, portable size, and a list of the "Top 100 Secrets" in pain management help you better meet the challenges you face today. You'll find all the features you rely on from the Secrets Series, a question-and-answer format, lists, mnemonics, tables and an informal tone, that make reference fast and easy. Expedites reference and review with a question-and-answer format, bulleted lists, mnemonics, and practical tips from the authors. Features a two-color page layout, "Key Points" boxes, and lists of useful web sites to enhance your reference power. Presents a chapter containing "Top 100 Secrets", providing you with an overview of essential material for last-minute study or self-assessment. Fits comfortably in the pocket of your lab coat so you have it conveniently on hand at all times
