

Creating a sustainable vision of nonviolence in schools and society /

Singh, Swaranjit (1959-)

Erbe, Nancy,

IGI Global,
[2017]

Monografía

"This book covers the evolution and imminent application of nonviolence concepts as a means of protest and transformation by humane society and a significant alternative to violence and oppression. It focuses on the future relevance and significance in all aspects of functioning of society/gender and family relations /communities/institutions/schools and nation states"--
