Título: Ergodic theory and fractal geometry Hillel Furstenberg

Editorial: Providence (Rhode Island) Published for the Conference Board of the Mathematical Sciences by the American Mathematical Society 2014

Descripción física: pages cm

Mención de serie: Conference Board of the Mathematical Sciences Regional Conference series in mathematics number 120

Nota general: "Support from the National Science Foundation." "NSF-CBMS Regional Conference in the Mathematical Sciences on Ergodic Methods in the Theory of Fractals, held at Kent State University, June 18--23, 2011."

Bibliografía: Includes bibliographical references and index

ISBN: 9781470410346 alk. paper)

Materia: Fractales Teoría ergódica

Entidades: Conference Board of the Mathematical Sciences National Science Foundation (U.S.)
