

Key Concepts in Work

Blyton, Paul

Sage Publications,
2007

Electronic books

Monografía

This excellent book will encourage students to think about the diverse range and broad character of issues encountered at work. It highlights both enduring dilemmas and emerging issues in contemporary employment. Each concept is carefully explained with engaging examples provided throughout. As such it will help prime students to understand key issues at work and make a first-rate addition to any social science reading list' - Nicolas Bacon, Nottingham University Business School
