Monografía

BYRON IN LONDON is a collection of essays by leading authorities on Byron, charting both his life in London and his writings about the capital. Byron emerges from the different perspectives given as one of English poetry's leading urban and metropolitan writers. Chapters are on Byron and the London boxing fraternity, Byron and the London stage, and Byron's attitude to the newly-emerging London coterie of women writers. There is one chapter on his relationship Other John Murray, his London publ...
