

Reviews of National Policies for Education: Bulgaria 2004 [

Organización de Cooperación y Desarrollo Económico

OECD Publishing,
2004

Monografía

This book gives an overview of the Bulgarian education system and describes its development since its development over the past decade. It provides an analysis of the entire education system, and identifies key directions for the reinforcement of the reform process in light of the challenges encountered by officials, communities, enterprises, educators, parents and students under rather difficult conditions
