

## Alcibiades and the Socratic lover-educator /

Johnson, Marguerite (1965-),

editor

Tarrant, Harold, editor

Johnson, Marguerite (1965-)

Monografía

In the Platonic work Alcibiades I, a divinely guided Socrates adopts the guise of a lover in order to divert Alcibiades from an unthinking political career. The contributors to this carefully focussed volume cover aspects of the background to the work; its arguments and the philosophical issues it raises; its relationship to other Platonic texts, and its subsequent history up to the time of the Neoplatonists. Despite its ancient prominence, the authorship of Alcibiades I is still unsettled; the essays and two appendices, one historical and one stylometric, come together to suggest answers to this tantalising question
