# EPPP Fundamentals : Review for the Examination for Professional Practice in Psychology

Bret Moore PsyD, ABPP

Springer Publishing Company, 2013

Electronic books | Examinations.

Monografía

This authoritative guide to the EPPP provides an affordable and comprehensive review of core exam content and includes over 300 sample questions. The guide goes beyond merely ""teaching the test"" by including contributions from the directors of top psychology training and internship programs in the US. This approach helps users to obtain the depth and breadth of knowledge required for passing the exam, and mirrors how doctoral level courses are commonly taught. The review covers the development and format of the EPPP along with successful test-taking strategies. Chapters covering EPPP content
