

Approaches and methodologies in the social sciences : a pluralist perspective /

Della Porta, Donatella (1956-)

Keating, Michael (1950-)

Cambridge University Press,
2008

Electronic books

Monografía

This volume will empower students to choose their own approach to research in the social sciences, to justify this approach, & to situate it within the discipline. It addresses questions of ontology, epistemology & philosophy of social science, as well as issues of methodology & research design essential for a good research proposal
