Título: JFLAP an interactive formal languages and automata package Susan H. Rodger, Thomas W. Finley

Editorial: Sudbury, MA Jones and Bartlett cop. 2006

Descripción física: XVIII, 192 p. ill. 28 cm

Nota general: Índice analítico: p. 188-192

Contenido: Índice abreviado: JFLAP Startup 1 Finite Automata 2 NFA to DFA to Minimal DFA 3 Regular Grammars 4 Regular Expressions 5 Pushdown Automata 6 Context-Free Grammars 7 Transforming Grammars 8 LL and SLR Parsing 9 Turing Machines 10 L-systems 11 Other Grammars in the Hierarchy. Appendix A L-System Quick Reference. Appendix B JFLAP .jff File Format

ISBN: 978-0-7637-3834-1

Materia: Lenguajes formales Autómatas matemáticos Compiladores (Programas de ordenador) Formal Languages Machine Theory Compilers (computer Programs)

Autores: Finley, Thomas W.
