Analítica

Based on the Gospels, St. Paul, and theologians, the Author intends to reexamine the expression "Christs body". Provided that the glorified body points towards a body which lived and died, this article develops six different specifications of the expression "Christs body". Physical body, historical body of Christ, resurrected or glorious body, Eucharistic body, ecclesial body, and, finally, the body of kerigma concerning Christ. This study aims to point out the insufficiency of two formulae: physical or material body, on one hand, and mystical body, on the other, the latter being an inadequate expression of the Church
