Analítica

The notion of ' territory ' as considered in this study of Herrumbrosas lanzas by Juan Benet represents a spatialized and closed fictional construction where war dynamics, that converge towards the achievement of a collective fate , the foretold defeat of the republican troops in Macerta, unfolds. Starting from an external description of the movements on the scene of Region to delve into the heart of an organisation crossed by networks so as to probe deep pulses , our study- inspired by some philosophies of the movement as G.-W. Leibniz or G. Deleuze ones - will attempt to define some of the aspects of the dynamic evolution of the territory The notion of ' territory ' as considered in this study of Herrumbrosas lanzas by Juan Benet represents a spatialized and closed fictional construction where war dynamics, that converge towards the achievement of a collective fate , the foretold defeat of the republican troops in Macerta, unfolds.
