

O sonho em Quéreas e Calíroe, de Cáriton de Afrodísias [

2018

text (article)

Analítica

This article proposes the analysis of the dreams that occur in Chariton's Chaereas and Callirhoe (I AD). The dream is present in Greek literature since the Homeric poems, which attests to its relevance in culture and in the imaginary. The nine dreams reported in the novel will be examined from a narratological perspective, also taking into account the cultural context and the Oneirocritic, of Artemidoro (II AD)
