Analítica

Spain Club, created in Barcelona in February 1935 by dissidents of the Spanish Nationalist Party, police and military retirees, will end up being, once put under the tutelage of the Union Military Spanish, coverage of the civilian plot coup military being prepared by this clandestine military organization. For a short period of time Spain Club gave shelter to clash of much of the tiny and divided groups Barcelona right-wing, organized as a Volunteer Spanish. The victory of the left in February 1936 and the differences between the different groups ended up giving the fret with the experience. Since then the military coup preferred to deal directly with each group their involvement in the conspiracy
