

Teoría y metateoría de la interpretación jurídica: un análisis desde la teoría general del derecho [

2018

text (article)

Analítica

This article accounts for the general theory of law and the theoretical, conceptual and epistemological foundations of legal interpretation. It is aimed at proposing a frame of reference (conceptual, theoretical and doctrinal) that allows law researchers to address the various theoretical and practical problems that arise in legal interpretation. Based on the concepts, classifications and theories of legal interpretation, the reader will find a complete analysis of the different perspectives which are proposed from the general theory of law
