

100 años de terapia

[

2016

text (article)

Analítica

Each issue of Journals TOG 2017 volume will feature a special section of topics 100 years of therapy containing two or three related articles. The goal is to recognize the history of occupational therapy while focusing on the future of the profession. The Centennial Themes section aims to help occupational therapy professionals in all aspects of the profession to take stock of how far the profession has come and to arouse interest in the development of the discipline
