

Análisis de la eficiencia del gasto público de la Municipalidad Provincial de Chiclayo y su impacto socioeconómico [

2015

text (article)

Analítica

This research was carried out because The Municipal Council of Chiclayo, exists the subsisting worry on the management of public funds in concretions works of great social impact concern, but despite the improvement in the financial management of the municipal government is far from achieve more work and better services to the community. In the research population and sample, were shaped by the universe that consists of all directors, managers, clerks, traders, market information, the media, experts intellectuals on the topic to investigate, together total one hundred informants, which in turn is 100% of the population. To perform the analysis of the Provincial Municipal Council of Chiclayo management, we took into account local spending and magnitude in the aggregate economy, the lack of skills in many of the public services provided, and the impact of public services in economic growth and well-being of the local population; however, we conclude that the social impact fruit of the municipal management of Chiclayo has not been positive in the period 2007-09 in analysis because there is still a strong unmet demand to cover in that community
