

# Aportes jurisprudenciales y doctrinales sobre la prescripción adquisitiva del dominio y el justo título en el derecho colombiano [

Universidad Libre de Colombia,  
2012

text (article)

Analítica

This article analyzes the central elements of acquisitive prescription of ownership and its legal nature, focusing on the legal nature of just title as an element of ordinary prescription. With the help of case law and doctrine, this work attempts to transcend the lack of legal definition, compare ordinary with extraordinary prescription as regards their elements and effects, and, in passing, propose variants to the phenomenon of possession in special laws, enacted by Colombia in order to facilitate access to private property
