

Aportación al corpus de monedas jacobeanas: Emisiones de Fernando II [

2021

text (article)

Analítica

We present three medieval billion coins that add to the number of the very rare Compostela dineros and meajas of Fernando II, billions that reveal the specificity of the Jacobean phenomenon, at the same time that they highlight the power that the compostelan archbishop has brought together, all within a context of economic expansion, social and political structuring, which is accompanied by a religious fervor that will place Compostela as one of the capitals of Christianity to this day
