Lady Maud is desperate to have children but Sir Giles' refusal causes her to start divorce proceedings. Sir Giles seeks revenge by allowing a proposed new road to be built on their property and claiming the compensation from the government. However, he hasn't counted on their mysterious gardener, Blott, who may well turn out to be Lady Maud's unlikely hero. Based on Tom Sharpe's bestseller, this BAFTA-winning comedy drama is an epic farce about planning enquiries, motorway construction, stately homes and family disagreements. Not to mention the sex, violence, blackmail and anarchy. Blott's destructive night out has had no effect in stopping the motorway from going ahead. But Blott is a determined man and ultimately it only strengthens his resolve. He will not be beaten and he plans one final campaign to protect the estate
