Lady Maud is desperate to have children but Sir Giles' refusal causes her to start divorce proceedings. Sir Giles seeks revenge by allowing a proposed new road to be built on their property and claiming the compensation from the government. However, he hasn't counted on their mysterious gardener, Blott, who may well turn out to be Lady Maud's unlikely hero. Based on Tom Sharpe's bestseller, this BAFTA-winning comedy drama is an epic farce about planning enquiries, motorway construction, stately homes and family disagreements. Not to mention the sex, violence, blackmail and anarchy. Dundridge is determined that the motorway will go through Cleene Gorge. Lady Maud is equally determined that it will not. With Blott's help, she plans a strategy. But first they need to open Sir Giles' safe, luckily Blott is just the man for this destructive job
