

De Iberia a Hispania: la formación de una identidad en la Antigüedad (II) [

2021

text (article)

Analítica

We dedicated this second part of the study to the investigation of the creation and transformation of Hispania's identity, attending this time to other elements that contributed to it, as it was the creation of the "macro-ethnicities", the implementation of the administrative units and the decisive impulse to the appearance of the "Hispanic conscience" with the strengthening and political projection of the elites of Hispania

We dedicated this second part of the study to the investigation of the creation and transformation of Hispania's identity, attending this time to other elements that contributed to it, as it was the creation of the "macro-ethnicities", the implementation of the administrative units and the decisive impulse to the appearance of the "Hispanic conscience" with the strengthening and political projection of the elites of Hispania
