

Desafíos de la Corte Penal Internacional en torno a la cooperación con los Estados [

2013

text (article)

Analítica

International cooperation is one of the main pillars on which the performance of the International Criminal Court is based. The experience, in particular, in the situations referred by the Security Council of the United Nations, allows seeing the difficulties derives from the denial of States to cooperate with the Court. This paper analyzes the causes for which this breach occurs and what measures are proposed to strengthen cooperation with the Court as a precondition for effective action.
