

Diez años de acciones colectivas en Costa Rica [

Facultad Latinoamericana de Ciencias Sociales (FLACSO), Sede México,
2008

text (article)

Analítica

This article analyses the main tendencies in collective actions of social protest in Costa Rica, for the period 1995-2004. By analyzing the repertoire of collective actions, the social actors involved, the demands, as well as the reactions reported by the newspapers La Nación and Extra, the most important conflicts in Costa Rican society during the period are exposed. The article argues that mythic construction of protest, repression and silence are the principal reactions in the conflict
